PROFESSIONAL SUMMARY

Video Editor with 3 years of experience producing engaging content for YouTube, social media, and corporate clients, skilled in storytelling through pacing and sound design.

SKILLS

- Adobe Premiere Pro, After Effects
- DaVinci Resolve color grading
- Motion graphics & lower thirds
- Sound design & audio mixing
- Short-form content (Reels, Shorts)
- Multi-camera editing
- Storyboarding & rough cuts
- File management & format optimization

WORK EXPERIENCE

Video Editor — Frameworks Media Productions

May 2022 - Present

- Edited 150+ YouTube videos for clients across tech and lifestyle niches, with average watch time above 60%
- Produced short-form content repurposed from long-form videos, increasing client's Instagram views by 3x
- Designed custom motion graphics templates, reducing editing turnaround time by 20%
- Color graded footage for a documentary short that screened at a regional film festival

Junior Video Editor — Clickframe Studios

Mar 2021 - Apr 2022

- Assisted senior editors with rough cuts and footage organization for ad campaigns
- Edited wedding and event highlight reels for 25+ clients

PROJECTS

Travel Vlog Series

Edited a 10-episode travel vlog series with custom transitions and color grading, gaining 500K+ combined views

Brand Promo Reel

Created a 60-second promotional reel for a local business that was used across their social media channels
